Goal – to be confident to use schema therapy, not just theoretical knowledge

[For those interested in accreditation in schema therapy, this course forms part of an accredited training programme.]

Susan Simpson

- **Clinical Psychologist** BA(Hons), MPsych, DPsych(Clin)
- Accredited Schema Therapist & Clinical Supervisor (International Society of Schema Therapy)
- Member of Australian Psychological Society, CCLIN
- Psychology Clinic Director School of Psychology, University of South Australia

Susan has been fully certified as a schema therapist since early 2009. Her training was with Dr. Jeffrey Young, Dr. Gunilla Fosse and the Dutch schema therapy trainers (including A. Arntz, M. Nadort, H. van Genderen, & M. van Vreeswijk). She has provided schema therapy workshops to psychologists and other mental health professionals over the past 3 years in a range of settings, including the National Health Service in the UK, the DPsych course at the University of Edinburgh, and the Master of Clinical Psychology course at the University of South Australia.

Chris Hayes

- **Clinical Psychologist** BSc(Hons), MPsych(Clinical)
- Accredited Schema Therapist & Clinical Supervisor (International Society of Schema Therapy)
- Accredited CBT Therapist (British Association of Behavioural and Cognitive Psychotherapies)

Chris has had extensive experience in both government and private settings working with clients with complex psychological presentations. Chris has provided Schema Therapy input and training to the Clinical Psychology program at University College London. He was Co-Director of "Schema Therapy Workshops" a principal UK training provider of Schema Therapy to clinicians working within the National Health Service as well as the UK prison service and held a private practice in central London. **For full bioographies: www.schematherapytrainina.com/about-us/**
